

Hello and welcome to the GLPA website! I think this will be another great year for the Greater Lexington Paralegal Association. I am serving with an awesome Board who all work hard for the members. Be sure and check back often on the website for updates!

I immediately began working as a paralegal in 1984, after graduating from Eastern Kentucky University with a Bachelor's degree in Paralegal Science and minors in French and English. While also having experience in corporate, probate, and litigation, my main area of practice is commercial real estate. I obtained my real estate license in 1993. After working at Ashland Inc. for 10 years assisting in acquisitions, mergers and other real estate transactions for the company's SuperAmerica and Valvoline Instant Oil Change divisions, I went to a private firm, and continued commercial real estate work for other clients, such as Arby's and Fazoli's. Currently, I am working for Wyatt, Tarrant & Combs doing commercial real estate and litigation assistance. I have served on the GLPA Board as the Job Bank Chair for two years and Vice President for two years. I love camping and spending time with my husband and two children, Lance, a senior at UK and Kasey, a sophomore at UK, and my German Shepherds.

And remember, I always love to hear from members who have suggestions and ideas!
